Report Highlights:

ATO Chengdu participated in the 2016 China International Nuts Expo in Hefei, Anhui province from April 17-18. This is the largest nut show in China, covering ingredients, additives, and machinery, and is organized by the China Food Industry Organization. All relevant U.S. nut associations participated in this show and successfully increased the exposure of the U.S. nut industry. U.S. constituents may request a full copy of the report at atochengdu@fas.usda.gov.
